Document Change Log

Date	Author	Comment
2/4/2025	Cegid	Updates synchronized with package 25.0.1

Preamble

This document lists deprecated service methods for Y2 plugins.

The service methods listed below are deprecated and, as such, are no longer supported or maintained.

New methods must be used instead.

These methods may be removed after the date mentioned.

Legal Notices

Permission is granted under this Agreement to download documents held by Cegid and to use the information contained in the documents only internally, provided that: (a) the copyright notice on the documents remains on all copies of the document; material; (b) the use of these documents for personal and non-commercial use unless it has been clearly defined by Cegid that certain specifications may be used for commercial purposes; (c) documents will not be copied to networked computers or published on any type of media unless expressly authorized by Cegid; and (d) no changes are made to these documents.
